Tukka's puppies went to their forever homes, but Donna kept Zaya, whom she intends to show. Even though Pyrat has a new home, Donna will also show him. There is a puppy show in Springfield in December. Donna will show both dogs. We will keep you updated.

Tukka's beautiful pups will be 12 weeks on Monday! Pyrat came for a visit. Look at how they have grown!

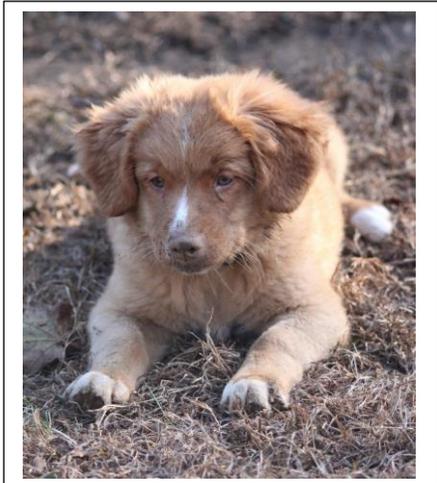

Greeting each other.
Pyrat and Zaya

Zaya is on the top left and Pyrat is on the top right. Kimber (Peake) is on the bottom right. They are just so sweet

Busted! Pyrat (with the dirt) and Zaya digging away!

Zaya, taking a break from digging, but the evidence is still on her nose 😊

Artist, Diane Blasius, has created beautiful stained-glass suncatchers, just in time for the holidays. Donna has a nice sampling hanging in the windows of D Tails. Please take a moment when you drop off or pick up your dog and look at them. The pictures here do not do them justice! The suncatchers are only \$20.00.

Channel will be in the show ring this month. Donna will be showing him this weekend and then over Thanksgiving. Wish them luck!

FYI: Philadelphia Kennel Club's National Dog Show will be broadcast live on Thanksgiving Day at noon on NBC.

Autumn is here, and the leaves are starting to fall. Here is a compilation of dogs playing in leaf piles. Do you have a dog that enjoys this?
