Toller News

Zaya's puppies are five weeks old and thriving! Tukka turns six on the 31st. Poppy is headed to Westminster in July and her parents got married last week! Poppy and her sibling, Juliet were in the wedding. We hope to share a few pictures in next month's newsletter.

Pups: Top right, Apollo, Bottom left, Orbit, and Bottom right, Little Dipper.

Tukka turns six on May 31st.

We hope everyone has a wonderful Memorial Day and please honor and remember the fallen.

Heads and Tails

There are so many wonderful pets on Instagram and lately a lot of these pets are either sick or have passed over the Rainbow Bridge. What's an influencer to do when they lose their reason for influencing? Turns out, many are cloning their beloved pets!

Releasing this June, a new book for elementary kids by Meika Hashimoto. It's an adventure involving a child, her recently adopted dog and a cat. Think *Homeward Bound* but with more substance.

Coming in September, Dogs of the Deadlands by Anthony McGowan. A story about a lost dog in the wilds after Chernobyl. Critics are comparing this work to Adams' Watership Down. Recommended ages 10+. Available to pre-order.

Here are a few happy dog stories in the news you might have missed.
