Toller News

At the Great Barrington Kennel Club Show in mid-February, D Tail's dogs Reef and Pyrat did well. On Saturday Pamela showed Reef who went Select for a five-point major and on Sunday, Pyrat, owned by Lauren Livingston, went Select for a five-point major. Thank you judges. Last weekend, Donna and Pyrat won a two-point major. This weekend, Pamela will show Reef and Donna will show Pyrat at the First Company's Governor Foot Guard Show in Massachusetts.

New: Dog of the Month. Each month we would like to feature your favorite pup in our newsletter on our front page! If you would like our readers to learn all about your dog, please email a picture and under 100 words to mantha465@aol.com and next month you and your dog could be featured.

To start off this month, we are featuring my new rescue pup, Arrow. He is about twelve weeks old and a mini-Aussie mix. I am still waiting for the DNA results to see what he is exactly. So far, he is a good, smart boy who loves his big brother, Rudy. He loves to cuddle and play and is learning about the world around him. My hope is that he will eventually be a therapy dog that I can bring to the patients at Smilow. Of course, he will be in Beginner Obedience classes when he is old enough. You can meet him at D Tails when I am filling in for Donna.
