Puppy Up Shoreline Walk is only One Month Away!

Did you know that dogs get the same cancers as humans? Luke Robinson and his Puppy Up foundation are committed to funding shared oncology research between dog and human DNA. You can help by walking with your pup on Sunday, November 8, 2015 at Hammonasset Beach State Park, 11:00-3:00. The walk will be at noon, but there will be booths, demonstrations, raffles, food trucks, and so much more! Please consider joining the D Tails' team for this important and fun event!

You may not know this, but Cay, Donna's Toller, has cancer at four years young!!! She had cancerous tumors removed last month, and will be on chemotherapy for six months. We are hoping the cancer has not spread, and this course of action will heal her completely. Walk on our team for Cay!

The link to sign up is here:

On the last Drop-In class of September, we had a small party for Donna, Beth's, and Cay's birthday! The Drop-in dogs were so well behaved while their humans had cake and cookies! To the right, is a picture of all the dogs on a sit-stay. They did a fantastic job! If your pup has been through any of our obedience classes, the next step is Drop-In, so they keep their training current! Drop-In Obedience class is Mondays, 6:00-7:00 p.m. The cost is \$7.00/class.
